

EUROPEAN ATHLETICS TEAM CHAMPIONSHIPS FIRST LEAGUE 2021

Lane and Starting Order Draw - **UPDATED**

Special Draw for races up to 400m:

The races up to 400m inclusively and relays will be staged in two heats of 6 teams each.

The heats will be arranged by considering as much information as possible about the performances of all athletes and the heats drawn so that, normally, the best performers compete in the same (second) heat. In principle the distribution will be based on the athletes' season best performances. Results from the previous year major events (Finalists of Olympic Games or World Athletics Championships or Medallists in European Athletics Championships) may be also considered by the Technical Delegate for the purpose of the distribution per heats.

The relay teams' distribution per heat will be according to the teams scoring standings 1 (one) hour before the scheduled time for each event. The best scored six (6) teams will compete in the same heat which shall be the last event of the session of track events.

Lanes 4-5-6 will be allocated to top three athletes/relay teams, while lanes 2-3-7 will be allocated to the remaining athletes/relay teams.
